Welcome to Liverpool

Liverpool Food People are developing food systems in the Liverpool City Region that work for the benefit of people and place. Our Liverpool Scran project will help you find new places to visit and ways to sustain local businesses.

We've put together a 2.5 mile round trip walk that shows off some of our amazing architecture, and includes some great places to stop off for a coffee or bite to eat as you go (you'll spot lots of other places too). From the World Heritage waterfront and our Three Graces - make sure you wave to the Liver Birds - to the Victorian glories of our World Museum, Central Library, Walker Art Gallery and St George's Hall, there's lots to look at and a pretty park to take a break in half way round.
