# Welcome to Liverpool

Liverpool Food People are developing food systems in the Liverpool City Region that work for the benefit of people and place. Our Liverpool Scran project will help you find new places to visit and ways to sustain local businesses.

We've put together a 2.5 mile round trip walk that explores some of Liverpool's Knowledge Quarter, mixing faith, science and academia. This takes you via the glories of the Victoria Building with its intricately tiled interiors to the bookended cathedrals at either end of Hope St, stopping off to admire the new Everyman theatre, Medical Institute and the Georgian terraces of Faulkner Square and Canning St. Don't miss out a wander through St James' Gardens, sample the water from the Liverpool spring and then take a walk down Rodney St, Liverpool's version of Harley St.
