Welcome to Liverpool

Liverpool Food People are developing food systems in the Liverpool City Region that work for the benefit of people and place. Our Liverpool Scran project will help you find new places to visit and ways to sustain local businesses.

We've put together a 3.5 mile round trip walk that explores some of our amazing Arts & Music History, and includes some great places to stop off for a coffee or bite to eat as you go (you'll spot lots of other places too). We're famous for the Beatles, but we have the Liverpool Philharmonic Orchestra, LIPA and the Parr St Studios still making music today. Our arts scene isn't too shabby either, pop into the Open Eye Gallery or the Tate for a touch of modernity or catch the latest film at FACT. This walk takes you up Bold St, so enjoy one of Liverpool's busiest food streets and check out places for dinner!
